VHP exercises the utmost care in performing each of its engagements. No party other than the principal may derive any rights from the results of these engagements, and the principal expressly indemnifies VHP in respect of any third-party claims. VHP policy provides that any complaints must be received within eight days of the completion of an engagement and imposes restrictions on liability. In that respect, VHP refers to its General Conditions, which are applicable to all engagements VHP performs and which were enclosed with the submission form. These General Conditions can also be reviewed at www.vhpgenetics.com. The work VHP performs is based on the material and/or data it receives from its principal. This report may only be copied in its entirety. The organization is ISO:9001 certified for all her work. This test is based on PCR technology.
